## Insider's tip

**Idalberto Guerra Poll, producer/dancer, Turarte Dance Agency:** 'Whenever I can, I go to Playa Siboney, a beach 15km outside of Santiago. On the way are the 26 monuments in memory of the heroes who died during the attack on the Moncada Barracks with Fidel Castro. You can visit the farmhouse where the attack happened and see the bullet holes all over the walls. I am also a regular at the church of El Cobre (below), Cuba's most sacred pilgrimage site and home of the black Madonna. It's high on a hill 20km away, on the old road to Bayamo.'
